- > SVU200: Smart Vu LE
- > SQD200: Smart Quad
- > STE200: Smart Edge FX
- > STE100: Smart Edge

Reference

- > ORC50: Orchestra

External Programming

All Presets can be prepared on the **Orchestra** and recalled by Control Systems. Templates can be selected and filled by chosen source. Simple and affordable, the **Orchestra** saves time and money by programming many presets which can be recalled by a third party controller.

Special tips

The **Orchestra** can be controlled by an external controller from **CRESTRON®**, **AMX®** or any other major control system.

ANALOG WAY®
Pioneer in Analog, Leader in Digital
